

"The people who take the worry and time out of payroll"

AMBA PAY has been operating for over 25 years and has been steadily growing since the bureau was established. Our system is full secure and supported and has multiple back-ups. AMBA PAY specializes in providing services tailored to your specific requirements, so your business will operate more efficiently, without any of the annoying and time consuming payroll problems.

Give your employees confidence and take your business to new heights...

- Pay methods - cash, funds transfer, electronic funds transfer
- Calculation of allowances and deductions
- All types of leave reporting
- Labour costing and personnel reporting
- PAYG Payment Summaries (Group Certificates) and tax reconciliation
- Management information
- Consulting services
- Interpretation of awards
